

6 January 1983
MLD-3002

MEMORANDUM FOR: Director, FBIS

FROM: Chief, London Bureau

THROUGH: Chief, Operations Group

SUBJECT: Monthly Report -- London Bureau -- December 1982

I. GENERAL

- A. British media have continued to report on campaigns against, and alleged U.S. plans for, U.S. bases in the U.K., including those visited by staff personnel at Greenham Common, Upper Heyford, and High Wycombe. Reports that advanced weaponry and communications systems may be deployed at the bases undoubtedly increase the fervor of such groups as the protestors encamped outside Greenham Common. In a frontpage article on 12 December "The Observer" speculated on American plans to use a site near High Wycombe for a U.S.-European command headquarters in the event of war, a prospect that one campaigner was cited as calling a "horrifying" possibility that the town would be the "prime target" in all of Europe.
- B. The Pressfax area in the cubicles building was finished off in preparation for receipt of the equipment from Okinawa in early January. Staffing arrangements are in hand and we expect to be able to go into pressfax operation promptly. To provide Headquarters with briefing material on these new technical developments Editor [] talents as a photographer were put to use in preparing a series of slides showing the ROSET site, the cubicles building spaces, TV monitoring rooms etc. These were sent to Deputy Director, FBIS during the month.

STAT

II. OPERATIONS

A. Editorial/Monitorial

- 1. CPSU General Secretary Andropov delivered a 64-minute speech, "60 Years of the USSR," at the opening of a joint session of the CPSU Central Committee, USSR Supreme Soviet and RSFSR Supreme Soviet in the Kremlin on 21 December. In addition to this speech, the bureau handled

-2-

numerous other speakers during the USSR 60th anniversary celebrations as well as the plethora of side meetings, wreath-layings, commentaries, and reports. According to the Chief, Operations Group, the bureau's expeditious handling of the speech made possible a timely analysis for senior U.S. Government officials.

2. Similarly, December was a busy month for PMU, entailing processing of reports by republic delegates to the USSR Supreme Soviet session left over from the end of November, materials of the subsequent republic central committee plenums and supreme soviet sessions, and the voluminous materials generated by the USSR and republic-level joint sessions of central committees and supreme soviets held to commemorate the USSR's 60th anniversary. PMU's backlog hovered at uncomfortable levels, but Production Group's generous offer to take 50,000 words helped PMU to drop the backlog by month's end from over 180,000 words to the five-figure range.
3. On 17 December the BBC and the bureau swiftly processed and filed a TASS report that the USSR Minister of Internal Affairs had been released from office and replaced by KGB chief Fedorchuk, another move in keeping with Andropov's apparent "new broom" style.
4. In midmonth the bureau prepared on short notice an assessment of the possibility of a new "openness" in Soviet media, in response to an AG query. Observations from editors, tabulators, and the BBC, and insight into press behavior from PMU's [] were coordinated by Chief Editor [] sent thanks for the bureau's "excellent" reply.
5. Polish affairs required the usual editorial attention with particular emphasis this month on Sejm meetings dealing with state and official secrets and with the suspension of martial law. In addition, General Jaruzelski delivered an important address to the nation on the eve of the anniversary of the introduction of martial law in 1981, and there were a flurry of incidents surrounding the commemoration of the 1970 Gdansk shipyard disturbances and Lech Walesa's reported desire to participate in the anniversary observation. Brief

STAT
STAT

-3-

attempts by Polish transmitters to interfere with BBC and VOA broadcasts to Poland were promptly reported by BBC engineers and cruisers and bureau editors.

6. Saudi Press Agency (SPA) transmissions via shortwave ceased abruptly early in the month as SPA began supplying subscribers by direct telegraphic circuits via satellite. The BBC moved quickly to obtain the SPA English service from REUTER and later the SPA Arabic on a line from Bush House; both services were obtained with the knowledge and consent of SPA.

7. Bureau Associate Editor [] and PMU's []
[] filled in on Soviet television coverage during Igor Kalashnikoff's 11-26 December leave. We appreciated Okinawa Bureau's assumption of the 1800 Vremya program during this period, and of primary responsibility for video coverage of the USSR's 60th anniversary celebrations.

STAT
STAT
STAT

8. PMU editor [] and monitor [] returned from Okinawa on 6 December. During their 16-day stay they gained valuable experience in operating the pressfax equipment that is soon to be installed at London Bureau and won Okinawa's praise for their performance.

STAT

STAT

1. The short statement to the Bundestag by Chancellor Kohl prior to the confidence vote, intentionally lost to pave the way for national elections, was processed from a live radio/TV relay of the proceedings on 17 December.
2. The hour-long speech in East Berlin by GDR leader Honecker on the occasion of the USSR's 60th anniversary was processed from a live TV relay on the afternoon of the 17th.

III. ADMINISTRATION

1. Deputy Chief [] arrived 27 December on PCS assignment from Headquarters.

STAT

-4-

2. Interviews with candidates for an additional teletypist position were held up because of the Christmas postal delays. The extra slot will be used half-time for the word processor and half-time in the Wireroom.

IV. VISITS

From the Bureau: Regional Engineer [] visited the Islamabad unit 19-23 December to check all equipment and make necessary repairs.

STAT

To the Bureau: [] from HQS, for a television briefing.
